Remarks:

Reconsideration of the application is requested.

Claims 1 to 11 remain in the application. Claim 7 has been amended.

Today, applicants received a call from the Examiner. The Examiner indicated that claims 1 to 6 were in a condition for allowance but did not indicate intent to rejoin claims 8 to 11. To guarantee rejoinder of claims 7 to 11 in the instant application, applicants have amended claim 7.

Applicants specifically reserve the right to file a divisional application including claims 7 to 11 as originally filed.

The amendments to claim 7 are made solely to allow rejoinder. The changes are neither provided for overcoming the prior art nor do they narrow the scope of the claim for any reason related to the statutory requirements for a patent.

In view of the foregoing, reconsideration and allowance of claims 1 to 11 are solicited.

In the event the Examiner should still find any of the claims to be unpatentable, counsel would appreciate receiving a
